

Green Party

The Green Party supports viable solutions to our greatest challenges, from climate change and drought, to historic income and wealth inequality.

In California, 70 Greens hold elected office. Voting Green means rejection of austerity against the poor, and support for equity, justice and sustainability. A Green Party government will mean:

GREEN ENERGY FUTURE

- A Solar California, with energy efficiency, conservation and publicly-owned safe, clean renewable energy
- Fossil fuel taxes, public transit, eco-cities
- Closing Diablo Canyon nuclear power plant

DROUGHT

- Protecting and replenishing our groundwater and aquifers
- Harvesting rainwater, embracing greywater
- Water efficiency and conservation

ECONOMIC JUSTICE

- Ending poverty through green living wage jobs, affordable housing, single-payer health care, workers' rights and food security for all
- A publicly-owned state bank to invest in California instead of Wall Street
- Education instead of incarceration, and tuition-free public college/university, by reforming Proposition 13 and progressive taxation

JUSTICE SYSTEM REFORM

**SUBJECT TO COURT
ORDERED CHANGES**

- Black Lives Matter, police accountability, gun control/safety
- Abolishing the death penalty, ending private prisons, a moratorium on prison construction
- Legalizing marijuana

ELECTORAL REFORM

- Eliminating corporate money through publicly-financed elections
- More democracy and fuller representation through proportional representation for state legislature and Congress, and ranked choice voting for statewide executive office
- Overturning Top Two

Register Green. Vote Green.
